NEW SCHOOL YEAR MATTERS

Introductions were made new student reps. Remuneration explained and sheets were pass out and filled out.

Election for Recording Secretary. Maria Larios self dominated, all second.

CEP was passed around and signed by the appropriate members.

CEP

Team reviewed and discussed how the CEP was reviewed last year and if we should do the same this year. What should be change? This year we will approach the CEP:

Suggestions:

- well versed goals
- instructional practices including data
- breaking down goals and having someone to represent goal to speak to group
- analyze and set up an activity worksheet.
- use same tool for all goals so that by March have them all goals met.
- Example: Math-- have Mr. Budney- breaking up sequence

Frieda mentioned that a way to review goals would is to have a teacher 's point of view in reference to the goals. More teacher based than general.

Was agreed to discuss math goal at next meeting.

PRINCIPALS REPORT

Results for Scholarship Report , review and compare the last three years. The School has been very consistent in the past 3 years. School admin would hope we keep this pace. Better for school funds to go to advance AP course than PM or summer school. Discuss how funds are used for these and how it

drains the budget. AP classes are discussed. Discuss how it allows students to experience College level classes and look good on College Apps.

CEP Goal about student recruitment and diversity is discussed in length.

- Trying to retain Diversity. John Brinegar, assistant of Art program reached out to our feeder school and to other areas in the city that are under represented at A&D. For instance schools in the Bronx & Queens
- -Reaching out to counselors for Middle School programs
- -Portfolio Workshops

Discuss the portfolio workshops. Teacher SLT reps think the workshops are given too late to be very effected. Perhaps they should be given in the summer. Teachers are very busy this time of year. Open Houses, High School Fairs etc. Maybe we can reach out to professional groups for additional assistance with workshops , like the Alumni Association. Maybe have the workshop earlier. Can we track the effectiveness of these workshop. Have a check box during auditions to see who came?
